Cozumel, Mexico

The climate is subtropical & the natives to Cozumel are of Mayan descent – Cozumel itself has become an underwater marine park to protect the delicate balance of its dazzling coral reefs & abundant variety of tropical fish visible to scuba divers and reef dwellers.

The region of Cozumel and Akumal are well-known for the underground rivers that honeycomb the porous limestone of the Yucatan which provide some of the most beautiful cave and cavern diving in the world!

The water is so clear that tropical fish can be seen without even getting your feet wet.

Don’t wait around to explore the mysteries of the tropical island of Cozumel. Because THE FUN is in every corner!

Come visit the safest, friendliest and most hospitable island in the Caribbean!
